Dear Friends of the Brenna Engle Foundation:

Starting January 2012 we are offering the opportunity for individuals, families, churches and/or school groups, etc to sponsor a child(ren) at Brenna's Home in Ukraine.

Right now, impoverished children are in need of support. Born into poverty, often to parents struggling to survive or unavailable to give support, these poor children often live without love and nurturing, access to medical care, a good education, adequate housing, decent clothing or a chance for a better future.

The Sponsorship Program is helping impoverished children by providing meaningful benefits and services that help them grow up knowing of God's love, confident, healthy and educated.

For only \$25 a month for 12 months a child can be sponsored. Through our affordable, monthly giving program, sponsored children receive:

- A home where they can live safely
- Exceptional supervision and care
- Nutritional support
- Health care and medicine
- Dental care
- Sturdy clothing and shoes
- School supplies and improved access to education
- Spiritual guidance
- Encouragement and hope

Sponsors get much in return. Regular monthly newsletters and photos to help you see how their donations change lives. Sponsorship gives sponsors a chance to help and serve, a tremendous sense of satisfaction and a feeling of accomplishment...all through helping a needy child have a better life.

You can sponsor a child today and assist us in reaching a common goal: helping the impoverished children of Ukraine grow into responsible, healthy, educated and self-reliant adults. Sponsored children are "assigned," not "selected," so the children with unsupported needs do not go without. Our system is balanced and equitable, each child having equal opportunity.

We are available to come to your church or school to give a seminar or presentation regarding our mission work in Ukraine.
